ALVO

2 SEATER CENTRAL MODULE

The Alvo Collection brings a fresh material expression to SNOC’s identity, combining bold aluminium profiles with warm teak details and natural woven textures. The lounge group consists of an armchair, a 2-seater, and a 3-seater, each shaped with clear geometry and a calm, contemporary character.

Expanding the collection’s scope, Alvo includes a modular system that can be arranged with integrated table elements, a daybed module, and a sunbed, enabling adaptable layouts across various outdoor environments. With dining pieces available in two table sizes, the collection maintains a consistent and refined design language across all typologies.
