ALVO COLLECTION

CONTEMPORARY STRUCTURE
MEETS A GENTLE SENSE OF EASE

The Alvo Collection embodies a harmonious dialogue between aluminum, Burma teak wood, and woven cord, bringing a refined sense of comfort to contemporary outdoor living.

ALVO-fern

Its softly contoured aluminum frame is engineered with precision, forming fluid tubular lines that create a sculptural yet understated presence.

Alvo-fern Dining Chair

Alvo-fern Lounge Set

Warm wooden accents introduce a natural softness, while the discreet laced cordwork adds texture and visual lightness.

ALVO-bisque

Alvo's rounded profiles and generous proportions invite relaxation from every angle, offering a seating experience that feels open and effortlessly comfortable.

Alvo-bisque Modular Set

Each element has been carefully considered to create pieces that are refined and unique.

Alvo-bisque Daybed

Designed to elevate outdoor spaces, the Alvo Collection reflects a commitment to thoughtful design and quiet, timeless simplicity, where contemporary structure meet a gentle sense of ease.
