ELYTHIA

DINING TABLE

Elythia expresses the primordial strength of wood, embracing the material in its purest form and pairing it with the simple, grounding act of binding it with rope. Through the interplay between a sturdy, earthy structure and carefully considered details, the collection captures both the strength that rises from the ground and the gentle surrender found in nature.

Designed by Junpei and Iori Tamaki, the collection comprises a lounge set, a dining set, a sun lounger, and a daybed, each shaped with soft lines and a warm, tactile presence. Teak is complemented with subtle rope elements and stone-inspired surfaces, forming a balanced material composition that feels calm, intimate, and quietly expressive.

Elythia brings a more tender interpretation of teak to SNOC's world, transforming natural materials into an outdoor expression that feels both grounded and softly elevated.

PRODUCT CODE

ELY-10-FSC001-SS06 - Ash

DIMENSIONS

Height: 74 cm | 29.1"
Width: 190 cm | 74.8"
Weight: 90 kg / 198.41 lbs

PRODUCT DETAILS

Produced from Forest Stewardship Council (FSC) certified teak wood suitable for outdoor conditions.

190
