RALPH

DINING TABLE

The Ralph Collection, designed with teak wood and rope details that gracefully embody a synthesis of aesthetics, functionality, and ergonomics.

Having evolved into an iconic design, the collection creates visual harmony with its framed details and bold, defined lines. Enriched with cushions in tones that complement the natural beauty of teak, the collection offers a refined interpretation for outdoor living.

By blending a modern design approach with a new generation of sustainable materials, it redefines style codes with elegance and authenticity. With every element of this collection; lounge set, dining set, and sun lounger the Ralph Collection emphasizes comfort on a human scale and true ergonomic design.
