SLEEK AND SUPPLE FORMS THAT DEFY CONVENTION  
IN A DURABLE SANDSTONE LIKE COMPOSITE

Born out of the wisdom of ancient archetypes, the Savio Collection is an exploration of timeless geometry through the lens of contemporary furniture and sculpture.

Research into arches and columns used across millennia, informed the core principles of the Savio tables and garden lights.

Through the use of digital technologies, parabolic curves and advanced manufacturing at SNOC, Patryk created sleek and supple forms that defy convention in a durable sandstone like composite.
