CHAISE LOUNGE

The Véu Chaise Lounge is conceived as a singular, iconic statement within SNOC's outdoor universe. Designed by Zanini de Zanine, it distills comfort and character into a fluid, sculpted silhouette that carries a quietly confident presence.

Its aluminium frame supports a leather-textured weave, bringing warmth, tactility, and a contemporary rhythm to the piece. The form is open and inviting, shaped to deliver a relaxed seating experience while maintaining a refined visual clarity.

Véu stands as a distinctive expression of SNOC's design direction simple, modern, and elevated, with a signature profile that defines the collection through its purity and ease.
